

# Mobility & Cross-Border Strategy of the State of Baden-Württemberg

Eugenia Kolb

General & European Affairs, Mobility Law

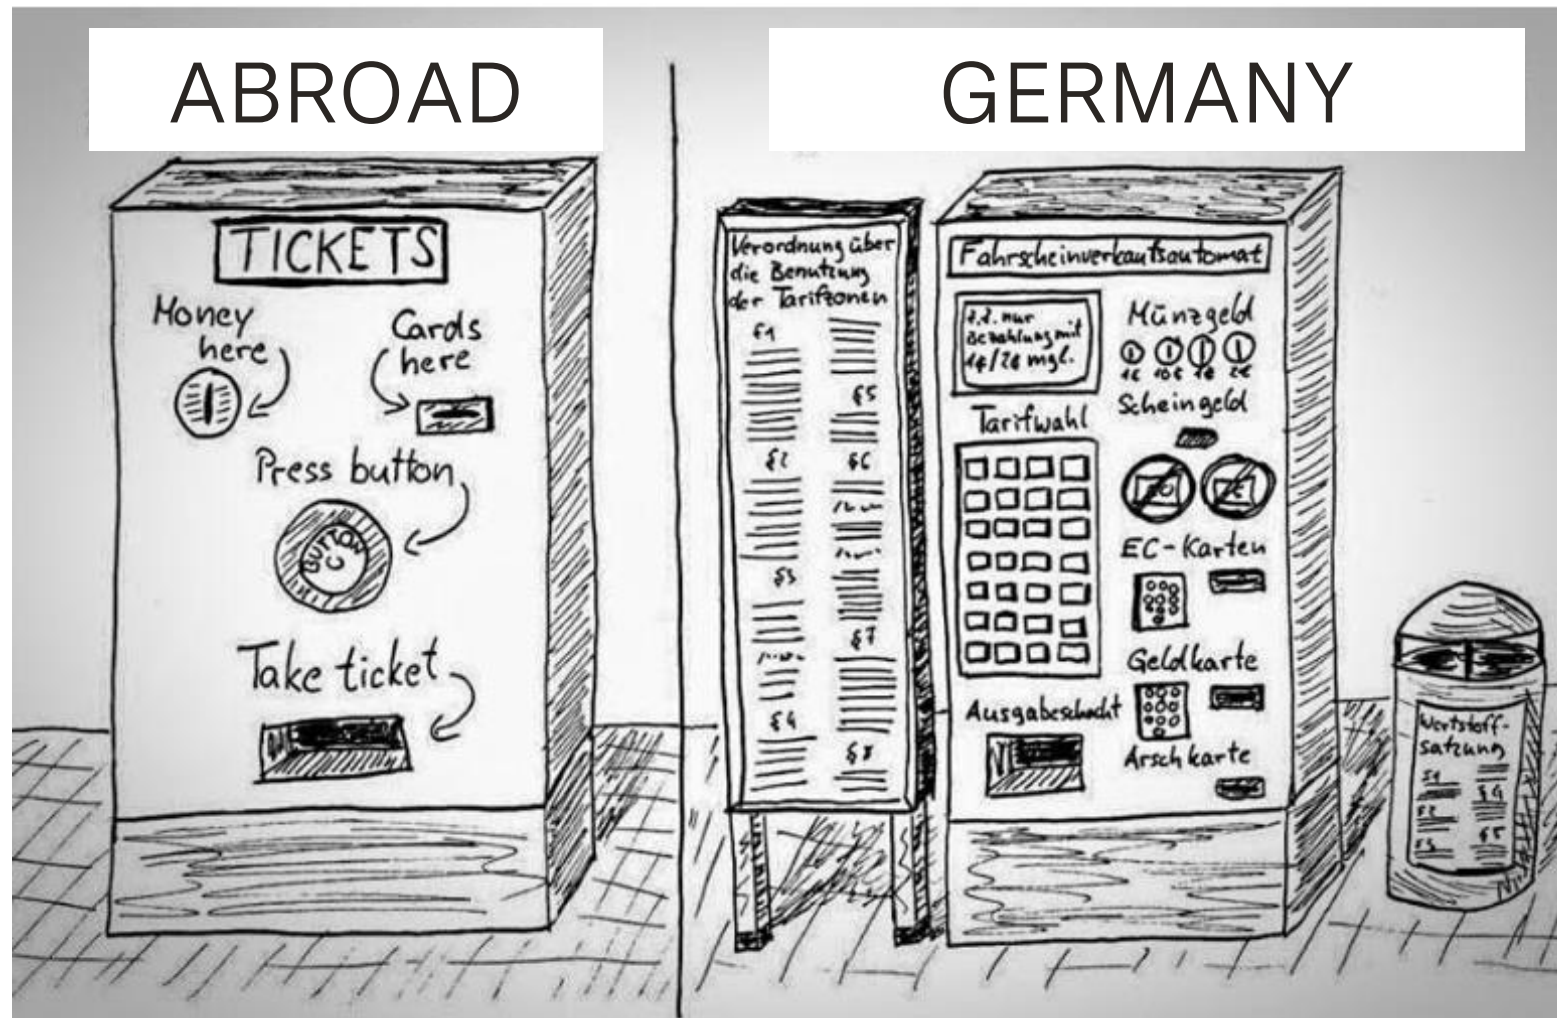

Strasbourg, 01.04.2025

Baden-Württemberg

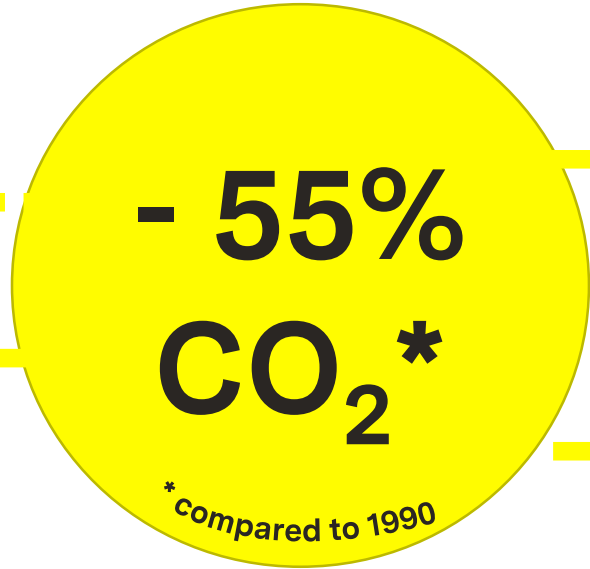

# Sustainable mobility across borders has many barriers!

# Transforming the Transport Sector by 2030

Double the use of public transport

One in two cars is powered by renewable energy

Half of all freight is transported by climate-neutral means

One fifth less car traffic in cities and rural areas

One in two trips is done walking or by bike
